

My occupational health insurance (OHI)

My Daily Hospital Allowance module

When we have well wishes for someone, their health comes first. Sometimes, however, a hospital stay is necessary to get healthy. And if you do end up in hospital, you should be as comfortable as possible! With the Daily Hospital Allowance plan, you receive a fixed amount for each day you need to spend in hospital. This makes it easier to manage additional costs, such as statutory co-payments or the surcharge for a more comfortable room.

Well-covered all round – these are the **benefits** provided by your OHI

Daily hospital allowance

Daily allowance from the first to the last day of hospitalisation.

You decide for yourself how you use the money, such as for:

Statutory co-payment¹

Additional costs for comfortable accommodation in a single or double room

Fees for Wi-Fi or television

Travel costs (including for relatives) to the hospital

Household help

Child/animal care
